

## Go for the Gold Maxx Game!

We are excited about the Go for the Gold Maxx Game scheduled to kick off the week of October 5, 2020, with opening ceremonies on October 9, 2020!

### **Here are a few reminders:**

1. Pick your Olympic Team Sport - first come, first get! Here's the link to choose your sport: Olympic Sports Sign-up. Type your team's name by the sport you are choosing. **The deadline to pick an Olympic sport is September 23, 2020.** If a team has not chosen and typed their name on the Olympic Sports Google document, a random sport will be selected for that team by the deadline.
2. **Nominate a torchbearer to represent your department.** Let Jim Harris know who will be your designated torchbearer. (jharris@paulmueller.com or X9488)
3. Each department is invited to participate in a virtual Olympic torch relay. Jim Harris has an Olympic torch for your team and instructions on making a "passing of the torch" video. **Please record your short video and email it to [jharris@paulmueller.com](mailto:jharris@paulmueller.com) by September 23 at the latest.** These video clips will be made into a video that will be shown during Opening Ceremonies.
4. Send a team photo(s) to Kellie Jayne Vaughn (kvaughn@paulmueller.com or X9308). **The deadline to submit a team photo(s) is September 30, 2020.** The photos will be used for our "Virtual Parade of Players" on the TVs as part of our Opening Ceremonies.

On September 18, 2020, we will begin communicating company-wide about the Maxx Game through email, text messages, and huddle slides, followed by information in other employee communication channels.
